40 HC: 962

Above are optimistic loads

Densities: Pink, Yellow, Green, Blue, Red, Black, Orange (1966), Purple, Gold (tow), Silver (skim) - 8% weight reduction between colours.

Experience notes: Natural (moulded) rocker is shown. M08 is the most popular rocker in all sizes since 2008. A half inch thicker and two inches wider to accommodate skating shapes and larger riders. Deep cutting may require heavier densities like Red or Orange Foam.
